Dear Billy,

We, the Rite Aid Retail Facilities team, are pleased to present you with our 2005 Hurricane Heroes Award.

The 2005 hurricane season presented several very challenging natural disaster events. It had a profound personal effect on our customers and associates throughout the region and the country.

We recognize that you and individuals on your team worked long hours, traveled many miles and often sacrificed comforts of your home and family for months, to assist Rite Aid in its endeavor to open and operate our base store to serve our neighborhoods, local hospitals and relief teams.

Thank you for your support, time and creative solutions. We are proud to have your team as a caring partner.

Sincerely,
